

It is time to upgrade our old rustic cabins with new climate-controlled models, each with 20-24 beds and self-contained rest rooms. When completed, this will add additional new beds and accommodate campers much more comfortably during all seasons.

The plan is to replace cabins at least two at a time until all ten are constructed. For those who will miss the rustic cabins, they will not necessarily disappear. We plan to relocate them to a wooded area of the property for continued use by those who prefer this style of camping experience.

FRIENDS OF CAMP MANATAWNY,

For the past 50 years, Camp Manatawny has been blessed with a ministry that reaches out to our most precious resource: our young people. Over the past five decades, our programs and facilities have grown and changed, but our mission remains the same: to interest and introduce individuals to the reality of a relationship with Jesus Christ and to encourage their continued growth through a Christian camp environment.

God has richly blessed the ministry of Camp Manatawny – thousands of children and adults have had their lives changed and the Kingdom of God has increased. Over the past few years, we have seen increasing enrollment and are needing to make some facility upgrades. As we celebrate our blessings, we are focusing on the future. We are turning our attention to paying off the debt and building new cabins to accommodate the growth we have already experienced. We would like to invite you to partner with us as we embark on this path which follows God’s leading.

PROJECT BUDGET NUMBERS

PAY OFF EXISTING DEBT - **\$312,000**

CONSTRUCT 10 NEW 20-24 BED CABINS - **\$85,000 each**

FURNISH 10 NEW 20-24 BED CABINS - **\$8,000 each**

THE PLAN TO REACH THE GOAL

This Capital Campaign will be aimed at paying off the debt first. The \$312,000 is what remains from recent projects such as the new bath houses and other necessary repairs. We believe it is vital to become financially strong in order to direct revenues into ministry and future improvements.

Once debt is retired, the new cabins will be the next priority. However, we are making an exception for those who have indicated a desire to cover the entire cost of a new cabin and/or the furnishings. Once these funds have been received in total, cabins will be constructed two at a time. The remaining balance of cabins and their furnishings will be completed with funds given beyond the debt payoff.

WE NEED YOUR HELP! ALL OUR CHILDREN ARE COUNTING ON YOU!

EVERY GIFT - GREAT AND SMALL - MAKES A DIFFERENCE

For 50 years, Camp Manatawny has made a difference in hundreds and thousands of lives. Several of our current counselors committed their lives to Christ as children here at Camp Manatawny. Many of our past staff members have gone on to spend their lives in full-time ministry.

Camp Manatawny is blessed by the crowds of children who join us annually, but we must accommodate them adequately. That's what paying off the debt and building these new cabins will allow us to accomplish. This project will assure that this aspect of the camping experience will be taken care of for the next 50 years.

Please do remember that campaign gifts are above any regular support to the ongoing operational budget. Thank you!

OTHER WAYS TO CONTRIBUTE

- Credit Card Cash Back
- Sign shares of stock over directly to the camp.
- Sell unused or unneeded items and donate the proceeds, i.e. jewelry, collectibles, antiques, RVs.
- Make a lifestyle adjustment and contribute the savings. For example, give up one snack a day. At an average savings of \$1.50/day = \$10.50/wk. = \$546.00/yr. = 1,638.00 over this 3-year campaign.
- Share part of an inheritance.
- Delay a major purchase for a little while and contribute the amount you would have made on monthly payments.
- Clip coupons and contribute the amount saved. Send that amount in each month.

If contributing by one of these methods, note that gift and its approximate value on your Commitment Card. Questions or ideas, please call us.
